

Hay-on-Wye Citizen of the Year Award / Special Covid Award 2020

NOMINATION FORM

The Hay-on-Wye Citizen of the Year 2020 will be awarded to any individual or group that has made a special, voluntary contribution to the life and well-being of Hay and its citizens. This contribution can cover a wide range of activities. It could be in enhancing community spirit, a contribution to social care, in education, in improving our environment, in sports, in fund raising, or the arts.

The aim is to recognise those who give, selflessly, in the service of others. These are unsung heroes who give, and then give a little more, in voluntary service to our community.

This year a special Covid award will also be available.

Their contribution must have taken place in the area of Hay Town Council. The person/group nominated does not need to live in Hay-on-Wye. Anyone can nominate an individual/group for Hay Citizen of the Year award 2020.

Name and address of individual / group to be considered

Name of person making the nomination

Please outline the individual's or group's achievements and why you think that they qualify for the Award

If you need more space, please continue on the back

Signature of Nominator
