

Councillor Information : TRUDY STEDMAN

Work Background: I started my working life in a hospital as a technician, leaving when my youngest son was born. After fulfilling a long held ambition of going to university I moved into my first Human Resources job. I have spent the last 25 years in a variety of jobs within the HR field, across a range of sectors including manufacturing, finance and higher education. I am currently working as a Human Resources Consultant /Project Manager for a consortium of universities.

Interests both within/outside Council: I want to ensure that whatever we do as a council is in the best interests of the residents of Hay. It can sometimes be a delicate balancing act to meet the needs of both visitors and residents.

As a Town Council our resources and time are limited so this has to be done in partnership with others. My focus as Mayor is on ensuring that the council builds and maintains relationships to ensure that Hay remains an amazing place to both visit, and to live.

Outside of the council I am Secretary of the Hay Community Woodland Group and a member of Hay in Bloom.

Reason for joining the Council: To put my skills to use and give something back to the place that I now call home.
