

Alex Bielski

Councillor information: I moved to Clyro in 2018 because I started my relationship with my (now) wife. I have just finished my time in the army after over 25 years service and now starting a new career in the civil service.

Interests both within and outside the council: Within the council I am involved with the events sub Committee. I feel strongly about local issues within Hay and that the town thrives moving forward.

Reason for joining the council: I joined the council to help serve the Hay on Wye community. To help the local council working with the other local organisations, bring events and benefits to the community in and around Hay.
