

## **Councillor Information**

Name : James Prothero

I was a student at Brecon college and a student union rep between 2009-2013. Currently carrying out press monitoring for Kirsty Williams AM.

### **Interests both within/outside Council:**

Within the Town Council I'm involved in the communications sub-committee. Outside I'm involved in the Hay in Bloom project. I am interested in Walking, Local History and Politics.

### **Reason for joining the Council:**

I adore Hay and its residents. When the vacancy arose, I just felt the need to put my name down and do my bit for the town.
