Mayor - Cllr S Morris

HTC Statement

Due to our previous statement regarding social distancing, which stated that as soon as social distancing restrictions were lifted by the Welsh Government, we would also remove the restrictions.

Therefore, with current Welsh Government guidelines stating that social distancing restrictions will be lifted from the 17th July. We have requested Powys CC to remove the road restrictions from the 18th July, as we will be at level 1.

However, the memorial car park shall remain closed on a Thursday/Friday/Saturday until the final restrictions will be lifted on the 7th August, when we have reached level 0.

If further restrictions are imposed, then they will take precedence.
