

Councillor Name: Simon Morris (Syd)

Work Background: I have lived in and around Hay all my life. I have a wealth of experience from running my own business in Hay for over 20 years and a member of Hay Fire Service to recently ensuring the safe continuation of a post office.

Reason for joining the Council: I enjoy both Full Council and Sub committee work. I have been involved in various groups and organisations around Hay. I joined Hay Town Council as I am keen to support all aspects of our local community helping to ensure it thrives. Nature and the environment are close to my heart.
